1	The Meeting was opened with a devotional by Sandy Clemmons
---	--

- 3 Kristine asked the Vestry members to consider whether they have a schedule in mind for the year for their
- 4 various areas of ministries and do they have people to help them achieve those goals and fill in if they will
- 5 be out.
- 6 Kristine also reminded the Vestry Members to keep in mind that when Parishioners communicate with
- 7 them the Parishioner might be communicating with them in their capacities as friends, fellow church
- 8 members, or Vestry Members, or a combination of all of those.
- 9 Brad Miller presented to the Church about the Safety Committee and its discussions over the past two
- 10 years especially relating to Campus Safety. Brad said the Committee has concentrated more on issues
- that have occurred rather than incidents that theoretically could occur.
- 12 A main focus of the Committee has been unauthorized access to the building and loitering. Several doors
- have been changed to storefront doors that cannot be left unlocked.

14 Priorities:

- 1st: The Doors will be mechanically repined so that all existing master keys will no longer function and then new master keys will be issued only on an as needed basis with much more scrutiny as to who is issued master keys and only to those individuals who have a demonstrated need for the master key. Annual audits as to who has the master keys will be conducted. That will cost about \$5,000.
- 2nd: We will improve Campus Lighting. That will be about \$22,000.
- 3rd: Install Security Alarm and additional cameras. About \$5,000
 - 4th: secure the HVAC fencing and increase the height of that fence and the fencing around the trash corral. Initial quotes have been *very* expensive so they will solicit additional bids.

- 26 Brad said the Committee had extensive discussions regarding going to an electronic locking system but
- that would be about \$55,000. So, the Committee is not recommending that.
- 28 Nick asked where the source of funding would be. Heather said there is about \$40,000 of restricted
- 29 funding for "campus improvement." Heather said there is also about \$50,000-\$60,000 of memorial funds.
- 30 A donor has approached the church with intent to donate \$50,000 over the next three years. There is
- 31 also some leftover Payroll Protection Program money that can be used for any purpose. There is also
- 32 money in the "quasi endowment." We could dip into that for this as well if the Vestry felt it was important
- 33 to do that.
- 34 Brad says the safety committee feels that all of these priorities are "pretty urgent."
- 35 Heather presented about the Parochial Report which is information on our membership, attendance,
- 36 financial standing, ministries, and outreach. It is presented to the Dioceses and then sent to the National
- 37 Episcopal Church. Our active participants increased from 882 last year to 885 this year.
- 38 Average Weekly Attendance is 262, Average Sunday attendance is 222. Online engagement went down
- 39 from where it was last year because more people are transitioning to be back in person.

40 41	Motion to Approve Parochial Report by Nick Burgess. Seconded by Allison Kellerman. Motion carried unanimously.
42 43	Michael spoke about the importance of Stewardship. Michael is on the Diocesan Stewardship Commission.
44	Michael said there are three opportunities coming up:

- 45 1st: Bishop's Day with Vestry, Wardens, & Treasurers. March 9 at St. Peter's in Columbia.
- 46 2nd: Katherine Beemer will be at the Vestry Meeting
- 47 3rd: April 13. Diocesan Stewardship Commission will meet at St. Paul's to talk about how to engage
- 48 Stewardship at the Parish Level.
- 49 The Meeting Closed with worship led by Kristine.

50 Executive Session:

Nothing to report from executive session.

Respectfully submitted,

Theodore W. Goodman Clerk of the Vestry

St. Paul's anti-racism task force continues to meet regularly for study, prayer, and advocacy. Members joined in the movement to install a memorial on the downtown courthouse square commemorating those men, women, and children who were bought and sold as slave. St. Paul's hosted the Diocesan Beloved Community training, with great attendance. We participated in the citywide Juneteenth celebration. Individuals continue to explore how to integrate anti-racist practices into their own workplaces, and we continue to discern opportunities for ecumenical worship.
